1. 原廠型錄

The advertisement features the Acer logo at the top right with the slogan "explore beyond limits™". Below it, the product name "LED monitor V226HQL" is displayed in green. The main headline "Bright colors, sustainable vision" is also in green. A list of features includes: Earth-friendly: recycled plastic, LED backlight, Acer EcoDisplay; 21.5" Full HD Acer ComfyView display; Acer eColor technology enriches color performance; and 100 million:1 contrast ratio (ACM). The central image shows the monitor displaying a vibrant cityscape. The bottom section contains a green bar with various certification logos: Full HD, LED, Mercury Free, TILT, eColor, ComfyView, 100M:1 ACM, epeat, TCO Certified, ENERGY STAR, and EPEAT.

<b>Vertical tilt 角度調整</b>	-5° to 25°	
<b>Speaker 喇叭</b>	1W x2	
<b>Power supply (100 V – 240 V) 電源供應</b>	Internal	
<b>Power consumption (ENERGY STAR®) 消耗功率</b>	<b>Off</b>	0.35 W (typical)
	<b>Sleep</b>	0.45 W (typical)
	<b>On</b>	16.5 W (typical)

#### Full HD LED monitor

The 1920 x 1080 resolution of this LED monitor delivers excellent detail, making it perfect for advanced HD multimedia and productivity applications. LED monitors also consume less power and last longer than those with CCFL lamps. In addition, this monitor is mercury-free, making it safer for you and the environment.

#### Acer EcoDisplay

Acer monitors using white LED backlight technology minimize environmental impact while providing superior performance and durability. These monitors do not contain the toxic substance mercury, making them safer for the environment. They also consume less power and last longer than monitors with CCFL lamps, for good savings. As part of our commitment to sustainable operations and corporate social responsibility, Acer uses product-design principles and material-management methods that reduce the impact of our operations on the environment.

ComfyView

#### ComfyView

Acer ComfyView monitors reflect less ambient light to deliver vivid colors, reduced glare and more comfortable viewing, even over prolonged periods.

#### Acer eColor Management

A single button — the EmpoweringKey — gives full access to the Acer eColor Management on-screen interface. Acer eColor Management provides a variety of advanced controls for achieving the best-possible image quality.
